

Margie (Class of 1966), received the second annual Karen Huwe Mohny Service Award, established by the WHS Alumni Association. Margie retired from the WSD district several years ago and has continued to coordinate the setting up and taking down of the Multipurpose Room after retirement, as well as serving on the Alumni Board. She has taken on the “Brick Project,” so alumni can continue to purchase brick markers located near the entrance to the High School Gym.

Margie also serves on the Waitsburg Resource Center Board, volunteering hundreds of hours each year. In addition, she volunteers for the French-town Historical Society, located in Touchet.

When asking about Margie’s involvement, one citizen said, “She is everywhere—she helps anyone in need, and doesn’t want any recognition.” Another said: “She is always willing to do what it takes to ‘get things done.’”
